### **HIGHLIGHTS OF THE PEP**

#### **Objectives of professional Exchange PEP- 2018)**

- To expose social workers, youth leaders & special educators to current trends in social work practices in India .and to acquaint them with issues and challenges.
- Indian family Host Living experience  
To promote International understanding by sharing and learning from one another.
- Exposure to diverse cultures.
- Institutional Visits, Rural India exposure.

**1. Orientation:** Aims at providing a theoretical framework on the social, economic and

cultural trends prevalent in the country with a historical perspective on social work practices.

## 2. Agency Visits:

**3. Agency Placements:** In specialized/interest work setting for a practical experience.

**4. Presentations:** The participants present their respective country socio-economic cultural trends. Dialogue on their work methods and intervention strategies.

**5. Rural Camp:** Visit a rural area is an integral part of our Indian program. Their stay at the project gives them an experience of rural life and development projects.

## 6. Cultural Exposure And Celebrations

**7. Host Family Living:** Participants live with Indian Host families ideally with two different families.

**8. Evaluation:** This is an opportunity to recapitulate learning's, gain clarity and give feedback to improvise programs.

**9. Valedictory Function:** A certificate is awarded to all the participants and opportunity to interact with all CIF members.

***WE LOOK FORWARD FOR A DIVERSE PROFESSIONAL PARTICIPATION AND LEARNING TOGETHER***
