**Programms during PEP:**

- General Program for all participants in the first week in Madrid.
- Presentations about the participant's profession, work place and their own country.
- Introduction of Spain's social and cultural system.
- Visits of different social /organizations agencies.
- Topics are social services around children, youth and families, health services, prisoners, refugees and intercultural work.
- The second week of the program is dedicated for individual activities according to the specific needs of each participant.

Practical and theoretical information about the social and cultural environment of Spain will be added

Cross-cultural exchange is a crucial part of the program as participants come from different countries, thus providing opportunities for professional development, sharing and learning as well as broadening professional and personal horizons.
