

The Council of International Fellowship CIF Finland

CIF Finland Virtual IPEP May 8 - 23, 2021

Council of International Fellowship in Finland is registered 1964 as a Non-Governmental Organization. It has organized traditional international professional exchange program (IPEP) since 1986.

Our programs' general goal is to promote professional, cultural and educational exchange for social workers and professionals working in human services.

Participation

Virtual IPEP participation means to collaborate and discuss an online webinar service (zoom) in two weeks time through writing, streaming own audio, video, and PowerPoint presentations within [Moodle](#) learning platform for what the participant needs access to internet connection with audio and video. There will be support and guidance to use the platform. The timings will be agreed and the schedule adjusted in the rhythm of time zones (3-6 pm EST), group meetings two to three times weekly (2-3 h)

Theme: Welfare – Having Loving Being

The virtual program's first week orients to learn more about Finnish welfare, social work, politics and culture. The lectures are presented on a moodle platform offered by [Swedish School of Social Science](#), University of Helsinki.

The second week is more practically oriented and individual with local host professional tutor and guidance.

The program and participants' experiences are evaluated during and after the program.

Finances There is no registration fee for CIF Finland Virtual IPEP21.
